

## Continuity of Learning Plan – September 2021

**Aim:** Should a child/ren not be able to attend school due to Covid restrictions, they maintain access to a good quality of education.

The actions below outline how we will continue learning if a children or group of children cannot attend school. We are not experienced in delivering remote learning effectively and we will provide all resources (e.g. laptop, stationery etc.) to ensure all children continue to access learning.

Individual (siblings) not able to attend school due to Covid restrictions (e.g. isolating after travel/confirmed Covid case/awaiting test result)	The school will use live lessons when possible, via Microsoft Team for English and maths. The will also use other resources such as <a href="#">Oak Academy Resources</a> and <a href="#">White Rose Resources</a> for the child to continue with their education. Communication with the child's parent and carer (via email or phone call) will outline the learning journey and expectations.
